Together Everyone Achieves More

"ಸಹಕಾರ್ಯ"- 'ಒಟ್ಟಿಗೆ ಕೆಲಸ ಮಾಡುವುದು.'

Delhi Public School-MRPL, Mangalore celebrated Teachers' Day (the birth anniversary of Dr. Sarvepalli Radhakrishnan) on September 5, 2024, with a vibrant programme led by the Student Council. The day began with an assembly highlighting the significance of Teachers' Day.

Head Girl, Ms. Nidhishree and Head Boy, Master Dhanush Naik served as the student Principal and Vice-Principal for the day, while students of Class X, took on the role of teachers, delivering lessons across grade levels. The Principal, gave away gifts to teachers and awarded appreciation certificates to the student teachers for their efforts. In the afternoon, teachers visited the World Konkani Centre. The Centre showcased the contributions of the Konkani community in various fields such as the Indian freedom movement, Literature, Art & Music and much more. They also witnessed a panel discussion on education and the challenges faced by educators. It was a memorable experience for everyone involved.

On September 11, 2024, DPS-MRPL celebrated Hindi Diwas with a range of CCA activities across different grade levels. Students of Classes III to V, engaged in writing Hindi poems adorned with beautiful designs and illustrations. Classes VI to VIII participated in poster-making activities, while students of Classes IX and X, designed posters featuring impactful slogans. A gallery walk was organized for classes I – V in celebration of Hindi Diwas.

During the special assembly held on the morning of September 13, 2024, students presented a prayer, a thought, and a passage, all delivered in Hindi, highlighting the significance and beauty of the language.

On September 1, 2024, Shree Mahaganapathi Temple Ganeshpura, Kaikamba hosted cultural competitions in celebration of Ganesh Chaturthi. Students from over 20 schools participated in the event, showcasing their talents across various categories. Our DPS MRPL School students excelled in multiple competitions, securing several prestigious awards.

In addition to the individual accolades, Delhi Public School, MRPL received Best School Award for Class IX’s performance in the STEM Talent Contest. The school received a cash prize of Rs. 5,000 and a trophy, acknowledging its commitment to fostering STEM education and supporting student achievement.

Our students of classes VIII to X took part in the Aryabhata Ganit Challenge Stage -I Exam conducted by CBSE on August 30, 2024. The top three scorers,

- Chirag Adiga- 9B,
- Anagha Anil Balgi - 9B
- Dhanush Umesh Naik -10A

have been selected for the Stage 2 exam, which will be held online by the CBSE board. This marks the second consecutive year that **Chirag Adiga** has qualified for the Stage 2 exam of the AGC

We are proud of him and wish him the best!

On September 2, 2024, esteemed alumna Ms. Karthika Santosh, a scientist at ISRO, visited our school to speak to Class 10 students, accompanied by her parents. She shared her personal journey, illustrating how she transformed from an average student into a successful scientist, emphasizing the

importance of perseverance and self-belief. Her inspiring message encouraged students to overcome low self-esteem and recognize their potential, regardless of past academic struggles. The session included a lively question-and-answer segment where students inquired about the challenges of being a scientist and career opportunities at ISRO. The program concluded with a heartfelt vote of thanks, expressing gratitude to Ms. Karthika, for her valuable insights and her visit to her Alma Mater, leaving students motivated to pursue their dreams.

On September 6th and 12th, 2024, an educational field trip was organized for the students of class 10 in two batches. They visited a farm in Mary Hill, Mangalore, where they had the opportunity to learn from Shri Mark Shera,

a police officer and passionate agriculturist. He shared his expertise on rainwater harvesting, terrace farming, and innovative techniques for utilizing small plots of land for agriculture. His enthusiasm inspired the students to consider growing their own vegetables and flowers. This field trip truly motivated our students to engage in agriculture and will undoubtedly encourage them to explore sustainable practices in the future.

On September 20, 2024, a workshop for CBSE teachers was organised in the MERC auditorium, centred around the theme of "The Theory of Knowledge." The teachers from various CBSE schools

attended the workshop, led by resource persons Mr. Bhujanga Shetty and Dr. Shashi Kumar.

The CBSE South Zone II Skating Tournament 2024-25 took place at Good Shepherd Central School in Laxmi Tekdi, Belagavi, from September 23rd to 25th, 2024. In the Under-11 boys' category, Muhammad Ayaan of Class IV C made a remarkable impression. He showcased his talent by securing third place in the 1000-meter rink event and an impressive second place in the 500-meter rink, his achievements highlight his potential as a young athlete.

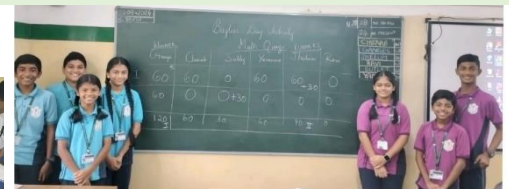

The CBSE Cluster VIII Table Tennis Tournament 2024-2025 was held at JSS Shri Manjunatheshwara Central School in Vidyagiri, Dharwad, from September 23rd to 25th, 2024. Our school showcased impressive talent, securing third place in the highly competitive Under-17 boys' category, which featured 36 teams. The team, led by captain Gaurav Sanil, included players Amogh Pandey and Volti Sayi Akash, who demonstrated excellent teamwork and skill throughout the tournament. P Gahana, excelled in the Under-14 girls' category, competing against 16 teams and finishing in third place. Her outstanding performance highlighted her potential in the sport.

On September 26, 2024, our school celebrated Bagless Day with engaging activities across various subjects for classes VI - X.

Enacting stories, Quiz - General Knowledge and Riddles, Sudoku puzzles, hands-on basic paper folding activity – not only enhanced their geometric skills but also fostered creativity, boosting intelligence and logical thinking.

On 21st September, bagless day for classes I & II, included fun activities like games, storytelling, and songs, creating a vibrant atmosphere for learning making it both an enjoyable and valuable opportunity for the students to enhance their skills and knowledge in a playful setting.

Our Celebration Board

The Blue Day celebration in Nursery was a vibrant event aimed at helping children recognize the colour blue and its significance. Teachers and students dressed in various shades of blue, created a lively atmosphere. Activities included an **Object Identification** session, wherein children showcased items in blue, they brought from home, and a **Colouring Activity**, where they used different shades of blue to fill in pictures of the ocean, sky, and fish. The children also enjoyed singing a fun rhyme titled “I Am a Blue Whale,” complete with actions.

The LKG and UKG also celebrated blue day on 21st September with great enthusiasm. The students showcased their talents and skills by participating in floral rangoli and flower arrangement activities. Overall, the activity was a delightful experience for our stars. They demonstrated exceptional creativity and love for nature.

FIRE AND SAFETY TRAINING PROGRAMME

Fire and Safety Training Programme was conducted at the Regional Training Centre, Kadri Fire Station, Kuntikana, Mangaluru, on 26th and 27th September, 2024 from 10.00am to 5.00 pm. Our selected staff members attended the training that aimed to equip the participants with essential fire safety knowledge and emergency response skills.
