## Maths Co-Curricular Activities at DPS MRPL

To promote a deeper understanding and appreciation of Mathematics beyond the classroom, DPS MRPL organized a series of engaging Co-Curricular Activities for students across various classes:

**Class 3 – Maths Craft:** Students created paper crafts using geometric shapes, blending math with art to inspire creativity.

**Class 4 – Maths Art:** Students designed patterns using 2D and 3D shapes, enhancing their understanding of geometry and spatial awareness.

**Class 5 – Maths Art:** Interactive activities helped students design decorative items using 2D and 3D shapes, making math fun and creative.

**Class 6 – Geometry Around Us:** Students explored symmetry through paper folding, masks, and ink blots, connecting geometry with artistic design.

**Class 7 – Maths in Fashion Design and Architecture:** Students applied geometric concepts to create clothing patterns and scale models of buildings, incorporating symmetry and tessellations.

The National Maths Day 2024 was celebrated on 24th December with the theme "Playing with Maths." A variety of engaging activities were organized for different grade levels:

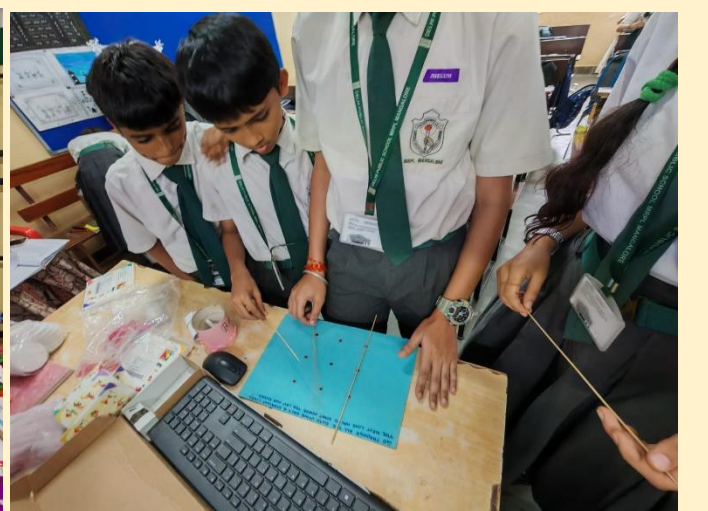

- **Classes I – II** : Maths games
- **Classes III – V** : Riddles and puzzles
- **Classes VI – VIII** : Quiz and puzzles
- **Class IX**: Treasure hunt organized by Class X students

Additionally, students showcased models, charts, and projects on topics such as Maths Art in clay jewellery, Maths Craft, Maths in fashion design, and Maths in sports and architecture. Classes I – IX visited the Math exhibition with their classmates as per the time scheduled enjoying Mathematics.

The event was a huge success, with students participating enthusiastically and enjoying the activities.
