### World Health Day Poster Competition – Felicitation Ceremony

To observe World Health Day, a Poster Making Competition was held at DPS MRPL on 7th April, 2025, encouraging students to create awareness about health and well-being through art.

A short felicitation ceremony was organised on 9th July 2025 to honour the winners.

Dr. Zahid Ali, Chief Medical Officer of MRPL Hospital, who

had initiated the competition, graced the occasion and presented the awards to the winners.

The students were recognised for their creative and meaningful posters. The event served as a impactful celebration of student talent and their understanding of global health issues.

### Sharada Mahotsava Cultural Competitions – 2025–26

The Dakshina Kannada and Udupi district Inter-School Sharada Mahotsava Cultural Competitions were held on 26 July 2025 at Sharada Vidyalaya, Mangaluru. Students from various schools actively participated in different cultural events with great enthusiasm.

The inaugural function began at 9:00 AM and concluded by 10:00 AM. Soon after, multiple competitions commenced simultaneously across different venues within the school campus. The events continued till 2:00 PM. Lunch was provided by the host school for all participants and accompanying staff.

The entire programme was well-coordinated and smoothly conducted. Ms. Akshatha Baikady and Ms. Meenakshi escorted and guided the students. The team returned to school by approximately 4:00 PM.

This event offered a wonderful platform for students to explore their talents, express their creativity, and engage in healthy competition. Though our school did not secure any prizes this year, the students performed with dedication and enthusiasm, making us all proud. It was truly a valuable learning experience for all participants.

A special assembly was organized on 28th July 2025 by the members of Yamuna House to commemorate Kargil Vijay Diwas and pay tribute to the brave soldiers who sacrificed their lives for the nation. The program was conducted in the MERC auditorium in the presence of the Principal, Vice principal, teachers, and students.

The assembly began with the prayer song followed by thought and word for the day. The students of Yamuna House then presented a short oration on the significance of Kargil Vijay Diwas, which was delivered in three languages – Hindi, English, and Kannada. The passages not only spoke about the historic victory of Kargil but also highlighted the universal values of patriotism, bravery, courage, and determination that inspire every citizen to serve the nation in their own way.

This was followed by a dance portraying the bravery of the soldiers and their families during the Kargil War, leaving the audience deeply moved. A melodious patriotic song was sung by the school choir, enhancing the spirit of nationalism among the gathering.

Behind the success of the assembly was the dedicated contribution of both students and teachers. Their teamwork, creativity, and commitment ensured that every performance was meaningful and impactful, making the program a memorable tribute to the nation's heroes.

The special assembly on Kargil Vijay Diwas was both inspiring and emotional. It successfully instilled a sense of pride, gratitude, and patriotism among all the students.

### Vanamahotsava

Vanamahotsava celebration at the kindergarten level is a great way to instil environmental awareness and responsibility in young minds. The activities such as seed germination, action songs, and artistic expression are engaging and effective ways to teach kids about the importance of trees and environmental conservation by introducing these concepts at a young age,

It's wonderful to see young children actively participating in environmental conservation efforts and developing a sense of responsibility towards nature.

## Blue Day

The Pre-Primary wing of our school was awash in shades of blue as we celebrated "BLUE DAY" with our little learners on 21 July. Children came dressed in various shades of blue and brought blue colored objects from home, enhancing their ability to identify and name the color. The various activity was conducted by the teachers of the pre- primary to make the day more fun for the tiny tots.

## SPORTS

S.R.N. Mehta School, Gulbarga organized the CBSE Cluster 8 Table Tennis Tournament, in which Delhi Public School MRPL actively participated. Our school fielded teams in two categories:

In the Under-14 Girls Individual Event, Gahana delivered an outstanding performance and secured the 2nd Runner-Up position.

Under-14 Girls	Under-17 Boys
Gahana Hansika Aakrithi Ramona	Gaurav Sanil Gathik Akash

## A Step Towards Protecting One of Nature's Most Intelligent and Gentle Creatures – *The Dolphin*

Dolphins, often regarded as symbols of harmony and intelligence, play a crucial role in maintaining the balance of aquatic ecosystems. Their presence is a sign of a healthy river or ocean. Unfortunately, several dolphin species, including the endangered Ganges River Dolphin, face serious threats due to pollution, habitat destruction, and human negligence.

In response to the recent CBSE circular promoting awareness about dolphin conservation, we came together to take a heartfelt pledge — to act responsibly, raise awareness, and play our part in protecting our rivers, oceans, and all forms of aquatic life.

With sincerity and a shared sense of responsibility, we took the Dolphin Conservation Pledge, led by Ms. Juliet, who administered the oath with passion and purpose. Together, we stand committed to making a difference — for the dolphins, for the environment, and for a sustainable future.

I pledge

to respect and protect our rivers, oceans, and all aquatic life.

I will raise my voice against pollution and support efforts to keep our water bodies clean and safe.

I understand that dolphins are vital to our ecosystem, and I promise to spread awareness about their conservation.

I will say NO to plastic, avoid polluting water sources, and act responsibly as a guardian of nature.

Together, we will protect the dolphins, and preserve the beauty and balance of life beneath the water.
